CUSTOM BUILD YOUR RV

A custom built RV means that you can design your custom caravan, having your needs and wants in mind. The process starts from in our Design department with the floor plan, options and features that work with your lifestyle and tastes. This ensures that you choose the comfort, style and preferences that work for you and your lifestyle, ensuring that your home on wheels guarantees the freedom to travel on your terms.

PROUDLY AUSTRALIAN MADE

Trailblazers RV is very proud to endorse the official Australia made logo and this means that you know that your custom build RV's, built in our Melbourne office, are manufactured with quality construction and locally built by skilled Designers, specialists and tradespersons.

YOUR SAFETY, OUR PRIORITY

Ÿ **SWERVE CONTROL**
Eliminates sway

Ÿ **ELECTRIC BRAKES**
Shorter stopping distance and thus skid reduction

Ÿ **ACTIVATION OF ELECTRIC BRAKES & BRAKE LIGHTS**
Protects you in case your RV accidentally separates from your tow vehicle

An aerial photograph of a scenic coastal road. The road is a two-lane asphalt highway with white lane markings, curving along the edge of a steep, forested cliff on the left. To the right of the road is a rocky beach with waves crashing against the shore. The water is a vibrant blue. The overall scene is bright and clear, suggesting a sunny day. The text is overlaid in the center of the image.
